

INVITATION

Nordic Women
Entrepreneurs Summit

27–29 August 2026

Svenstavik, Jämtland, Sweden

**CAN WOMEN ENTREPRENEURS IN RURAL AREAS HELP BUILD
THE COMMUNITIES OF THE FUTURE?**

We believe the answer is yes.

We already know a great deal about the conditions under which women entrepreneurs operate. Now we want to explore what comes next — together.

That is why we are inviting you to **the first Nordic Women Entrepreneurs Summit**. We welcome women from across the Nordic countries who lead networks, organisations and initiatives that support women entrepreneurs in rural areas.

Over three days, we will get to know one another, exchange experiences and explore how women entrepreneurs can help create resilient and thriving local communities across the Nordic region.
